Poor nutrition contributes to many chronic diseases. Rather than treating your symptoms, optimizing nutrition may actually help address the root cause of your ailments.

Can Genova’s Nutritional Testing Help Me?

If you’ve answered yes to any of these questions, Genova’s advanced nutritional testing may be the answer. Talk to your doctor today.

FAQs

- Is comprehensive nutritional testing right for me?
  Genova nutritional testing is designed to identify and target nutritional imbalances, offering personalized patient recommendations. Talk to your doctor today to see how Genova testing can help you.

- Will my health insurance cover Genova nutritional testing?
  Genova offers patients the ability to use their commercial health insurance to pay for their testing. We also offer a number of other billing options including payment plans.

- How do I get started with Genova nutritional testing?
  Talk to your doctor about your symptoms to see if Genova nutritional testing is right for you. They can provide you with proper testing options based on your clinical needs. You can also visit Genova’s website at www.gdx.net for more information on our company and our testing.

The Benefits of Nutritional Balance
